Headteacher: Mrs Gillian James

Holidays in School Time

School holidays account for 14 weeks of the year and parents are expected to arrange all family holidays during these times.

It is only the Headteacher who can authorise leave of absence during school term time, and it is only in **very exceptional circumstances** that any holiday absence is granted. Parents can now be liable for a £50 Fixed Penalty for ten days' or more unauthorised absence.

We expect parents to co-operate in seeing that holiday requests are only made in very rare cases where arrangements made during school holidays are not possible. If a request has to be made, parents must complete the Holiday Request Form (available from the school well in advance and before any holiday is booked). Leave of more than ten school days is never authorised.

It is not school policy to grant holiday absence in the GCSE Years 10/11, or in the Sixth Form, or in the 1 – 2 days immediately before or after a school holiday.
